

CFEPC Sponsorship Opportunities

To ensure top quality speakers on a variety of estate planning topics, CFEPC is increasing its funding by making sponsorship opportunities available to its members and the greater community. With a membership of more than 120 professionals including attorneys, certified public accountants, life underwriters, trust officers and financial planners, your sponsorship of CFEPC will highlight your company and its available services.

Annual Opportunities Available

- **Gold General Sponsor:** The amount is \$500. The gold sponsor is recognized as a sponsor on the CFEPC website and at the event. The website will contain a banner identifying you or your organization as a sponsor and include a link to your website (for the fiscal year running from July 1st through June 30th).
- **Platinum Dinner Sponsor:** The amount is \$1,500. The platinum sponsor is announced as the sponsor of one of our four dinner meetings. A platinum sponsor may distribute written materials and speak three to five minutes at the podium introducing itself and its services. A platinum sponsor will be identified as a platinum sponsor on the CFEPC website with a link to its website. A platinum sponsor will also receive recognition as a sponsor at each meeting, on the invitation for the dinner you are sponsoring, and admission to the sponsored dinner for yourself and one guest (two guests if the sponsor is a member).
- **Five-Minute Update Sponsor:** A \$1,500 sponsorship provides your organization the opportunity to sponsor the Five-Minute Update at each of the four regular dinners. Your organization will be introduced at each meeting and your organization's logo will be displayed electronically during the Five-Minute Update. Your organization will be recognized as a sponsor at each meeting, on the CFEPC website with a link to its website, and at the event.
- **Annual Meeting Sponsor:** The amount is \$2,000. The annual meeting is attended by a broader audience -- CFEPC members and their spouses. For your sponsorship, you can distribute written materials at the check-in table and spend three to five minutes at the podium introducing your organization. An annual meeting sponsor will also be listed on the CFEPC website with a link to its website. You will also receive recognition as a sponsor at each meeting and on the invitation for the year-end annual meeting, as well as admission to the dinner for yourself and one guest (two guests if the sponsor is a member).
- **Entertainment Sponsor for Annual Meeting:** A \$750 sponsorship provides the opportunity to sponsor the entertainment for the Year-End Annual Meeting. You will receive recognition as a sponsor in the invitation for the year-end meeting, on the CFEPC website with the link described above, and at the event.
- **Custom Sponsor:** We have a number of other unique opportunities for \$750 custom sponsorships that we would be happy to discuss with you. Your company will receive recognition as a custom sponsor in the invitation for the event, on the CFEPC website with the link described above, and at the event.
